STUD HISTORY

This year celebrating 40 years of breeding bale filling Merinos and there has never been a better time to breed Adina blood heavy wool cutters.

Adina Merino Stud was registered in 1986 and breeding quality Merinos is both the business and the passion of long time Monaro locals, the Barron Family. Over the years the aim has been to maintain micron without sacrificing fleece weight or fertility. Adina Merino rams are run on the tough Monaro, they have hardy constitutions with fine-medium wool on large frames. Adina sheep have become renowned for their heavy cutting and superior long wool qualities.

Adina Merinos continue to see the benefits of selective mating, using sires not only from within the Stud but also sourcing sires from leading studs to introduce new & desirable genetics to assist in achieving long term goals. In 2011 Adina registered a Poll Merino Stud.

SALE DETAILS

This year Adina Merino Stud will offer 40 one-year-old rams for auction and the principals are extremely happy with the growth, handle and wools of the sale team. From the sale team, mid side samples have been taken and tested in August 2026, all rams to be offered for sale are Brucellosis accredited, Vendor declared Footrot free, classified Monitored Negative (MN3V) status under the National Johnes Program and in addition they are 17th generation Johnes vaccinated.

Again this year, rams will be sold where they are born and bred at "Overdale", 2120 Peak View Rd, Peak View with rams to be penned for inspection from 10am.

We invite you to join us for a Ram Sale Preview at an Open Day on Sunday 11th October at "Overdale" between 10am-2pm where the sale team will be penned for you to inspect at your leisure.

Alternatively for an inspection prior to the day, the Barron family encourage and welcome you to contact them to arrange a suitable time.

Hope to see you there !
